Policy

To ensure that Price and Speed Pty. Ltd. meets its commitment to customers in the relation to the protection of their personal information and its privacy obligation under law by

- Identifying the sources of privacy obligation
- Identifying key responsibilities
- Delivering the privacy compliance

This policy gives effect to the privacy and its commitments set out in privacy statement

Application

This is a Company policy of Price and Speed Pty. Ltd and it applies to all Price and speed employees and contractors and to any other person who is notified that this Company Policy applies to them. Subject to Price and speed company policies it applies to each employee and contractors

Policy

1. At price and speed, privacy matters to everyone, in particular how we:
 - Collect, use, disclose and protect customer information.
 - Assess the impact that statutory law take effect that applies to this policy
2. Price and speed recognises that customers are entitled to expect that the privacy of their information will be protected. Price and speed commitment to this is expressed publically in Price and speed privacy policy
3. As an essential part of commitment to comply with the law, Price and speed treats the protection of customer information and retention of information and privacy compliance with integrity. Price and Speed, its employees and contractors are legally obliged to protect the information of customers and other persons.

Price and Speed Privacy obligations

4. There are a number of different pieces of Australian legislation that Price and Speed must comply with when dealing with Customer information. Primarily, these includes the privacy act 1988 which sets out National Privacy Principles
5. The key obligation that impacts Price and speed day to day business are summarised below these obligations must always be considered in light of Price and Speed privacy statement which expresses Price and Speeds commitment to its customers. This policy and the Price and speed privacy statement are high level summaries of Price and speeds privacy obligations. If you have specific queries relating to privacy matters refer them to your privacy manager or legal Counsel.

Collection of customer information

6. Customer information must be collected :
 - Upon entering the premises at reception or bonded office
 - If it is necessary for one or more Price and speeds Business activities or functions
 - By lawful and fair means
 - From the relevant individual, if reasonable and practice to do so.
7. Price and speed's privacy statement sets out the types of personal information collected by Price and Speed.

Use and Disclosure

8. Customer information must only be used and disclosed for the primary purpose it was collected (eg: to supply to Australian Customs and border securities) or related purpose if the customer would reasonably expect Price and Speed to use or disclose their information for such a related purpose or if the customer has consented to such use or disclose or in limited circumstances where dealing with government bodies and law enforcement agencies.
9. Price and speed Statement sets out how we use customer information

Protection of customer information

10. Reasonable steps must be taken to protect customer information from misuse, loss and unauthorised access, modification and disclosure

Key Responsibilities

All Employees, contractors and consultants

11. As privacy matters to everyone, you:
 - Must comply with this policy at all times by following relevant internal procedures
 - Are responsible for completing Price and Speed privacy awareness training, raising any lack of understanding with your manager and participating in privacy awareness activities
 - Must not engage in behaviour, or ignore or allow behaviour by others, that breaches this policy
 - Must prominently raise issues or suspected breaches of this policy, with your supervisor manager or legal council
12. If you are a manager you lead by example and demonstrate a strong commitment to privacy compliance, by:
 - Identifying privacy compliance risks and implementing appropriate controls to manage those risks.
 - Ensuring your team members know their business privacy manager and have completed Price and speeds privacy training
 - Taking appropriate action to deal with privacy issues, such as remedial and preventative actions.
13. If you are a managing director, you are further responsible and accountable in your business for:
 - Setting the appropriate tone that consistently conveys commitment to this privacy policy and communicating that commitment.
 - Appropriately resourcing your privacy manager who has responsibility for:
 - Delivering the company privacy program
 - Managing privacy risks
 - Providing privacy advise and assistance to colleagues
 - Requiring privacy impact assessments of new products and technology and or services
 - Ensuring the privacy compliance requirements are implemented and mandatory training is completed
14. Price and Speed will continue to:
 - Commit the resources necessary to support effective privacy compliance.
 - Review and maintain training, processes and practices to meet changes and developments in the Law and in Price and Speed operations.

Breach of policy

If you do not comply with this policy, you may face disciplinary action under Price and Speed disciplinary action may involve written or verbal warning, in serious case, termination of employment or engagement with Price and Speed.

If you break the law you are personally liable.
